

Toddler Toy Time!

10:30 AM - 12:00 PM

Tuesday December 26, 2017

Bring your toddler to play with some of the library's toys and socialize with their peers! This is a special extended version of the "Puzzle & Game Time" that we normally hold on Tuesday mornings. This will be an unstructured program where children are free to play and hopefully make some new friends! Drop in anytime during the hours listed above!
